For thousands of years, Indigenous people have walked in this land. As we gather for worship this morning, we acknowledge that we are gathered in the traditional territory of the Nehiyawê (Cree), Nahkawê (Saulteaux), Lakota, Dakota, and Nakota First Nations and the homeland of the Michif/Metis Nation, now defined as Treaty 4, and we acknowledge their stewardship of this land throughout the ages. We recognize this statement in itself is not reconciliation work - this stand-alone acknowledgment must be accompanied by multiple acts that continue to deepen our understanding of the connections between Indigenous peoples and the lands on which we are joined through the course of history and through treaty signing.

Welcome to Eastside! May our opportunities of ministry, challenge and peace on your Christian journey. Eastside United welcomes all people to discern and engage in Christ's mission in a nurturing, inclusive, and dynamic Christian community. No matter your appearance, age, gender, sexual orientation, family configuration, or economic circumstance. We welcome all who represent God's goodness. If the words of Worship do not fit your theology, faith, or language, please feel free to change them.

IMPORTANT FINANCIAL UPDATE: Click here to view the most recent financial update for the quarter ending in November. November was pretty much a break even month for Eastside, leaving an operating deficit of \$12,658 for the year to date (see attached).

December is shaping up well, with a donation of approximately \$2,100 that will be forthcoming, so a small surplus is anticipated for the month. Also, Eastside's share of the mortgage will be less than \$9,000 by December 31, 2022 after deducting cash amounts that have been set aside for this purpose. The mortgage will be retired at August 31, 2024. A rough 2023 Budget reveals potential for a deficit of \$20,000-25,000 for 2023 at current revenue levels. In other words, local giving is expected to be \$150,000-155,000 for 2022, but would need to be roughly \$175,000 in 2023 to break even. In the absence of a significant revenue increase in 2023, Eastside's cash position would be very low by the end of 2023 (\$0-10,000), after having had a balance of \$54,227 at the end of 2021. To put this in context, in 2021, Eastside had only 80 families that gave more than \$100 for the year, so the burden for each family will be substantial in 2023. In 2024, costs will likely exceed \$180,000 due to the minister's sabbatical, residual mortgage costs and ongoing inflationary pressures. (The Leadership Team approved a sabbatical for Russell, Dec 11 2023-March 11, 2024)

Film and Faith will be taking place on January 27! Time to be confirmed is presently 7:10pm, arrive just before 7pm. The film will be "A Man Called Otto" starring Tom Hanks (as long as it is still playing!) Interested? Text "Film" to 306-517-6797 to register and keep informed!

We are looking for volunteers to help with Breakfast at ICF on January 28! Please let Doug Scheurwater know if you are available.

In June 2022, Regina City Council passed Motion MN22-4, which asked City Administration to prepare a report on how the City can better serve 2SLGBTQIAP+ people. For this reason, we are hosting a series of consultations to identify gaps,

strengths and realities for 2SLGBTQIAP+ living in Regina with a focus on: City facilities, including booking processes, all gender changing rooms and trans affirming policies; Exploring 2SLGBTQIAP+ specific programming and space at the City; City permitting processes for events; and Family programming at the City of Regina.

These consultation activities are meant to inform recommendations about these and other topics that may emerge throughout discussions with community members.

Eastside is hosting an Neighbourhood Entrepreneur Fair on Saturday May 6. This event is to provide opportunity for home based businesses in our community to showcase their products and services. We are looking for volunteers to help plan and support this important community ministry. Please contact Russell, Amanda, Leanne, Stephannie or Greg for more information or if you are interested.

Outreach

There is a small group of community based volunteers currently feeding approximately forty of the most vulnerable individuals in our communities with nightly meals, snacks, and warm beverages. These are human beings that are houseless and find themselves living in tents and make-shift structures in our city during freezing temperatures. These volunteers would welcome our assistance to help support the community. **Mitts, toques, socks, gloves,** etc. are needed for the warming bus in Regina! Please drop items off at the Eastside office. [Click here](#) to see the sign up sheet to offer a meal or donations, or contact our office for more information!

Glen Elm School is taking food donations! If you would like to drop off food donations, you can do so during office hours, or leave non-refrigerated items in the blue-bin at the LSC office administration entrance. Bowl donation announcement?

The Indigenous Christian Fellowship is looking for people on Fridays to make 90 lunches on-site. There is fewer volunteers with Linda Fowler's passing. If you can help out, contact [Doug Scheurwater](#) and indicate which Friday(s) you are available. ICF is also looking for people to help bake cookies and muffins. Supplies are provided.
