

# As Your Journey Begins

## An Introduction to Obedience Trials

WCOTC Training Center

Delmont, PA

Sunday, February 9, 2020

(snow date March 1)

9:00 am—Cost - \$5

*This workshop is designed to help new people interested in the sport of obedience. The focus is not how to train your dog, but rather how to enter a trial... Where to find information on trials and rules; how to determine which class you should enter; what information is in the premium list and how to complete an entry form; understanding the Judging Schdeule. Show Day - What to expect; how to dress; what to bring; when to arrive; how to check in; In the ring; after the performance. The price is \$5.00 per participant. Each participant will have the opportunity to show (either with his/her dog or may chose to go through without a dog so they can concentrate on the ring experience). At the conclusion, each participant will return to the ring for the awards and will receive a \$5.00 certificate towards a future obedience entry into a WCOTC trial. We want our participants feel comfortable and confident when entering and attending their first trial.*
