# Daytona Estate Jewelry

The corner of Main St. and Row D-North has been home to Daytona Estate Jewelry for over 20 years. Anne Ames, owner, showcases a wide variety of fine jewelry including rings, bracelets, earrings, chains, brooches and pre-owned Rolex watches with warranty. Most pieces come with full documentation, including appraisal and analysis. Anne's customers return again and again because they can buy with confidence. Daytona Estate Jewelry is a licensed second-hand dealer, so they can offer you top dollar for your unwanted jewelry. Unlike chain jewelry stores, Daytona Estate always has estate pieces, custom-made jewelry and unique items, like

coins and jewelry from the Atocha shipwreck that was claimed by a hurricane off the Florida coast in 1622. They can also update your outdated jewelry or create a new piece from your old jewelry. Layaway is available.

Anne is actively involved in 'Kids Rock the Nation', a not-for-profit organization that helps get guitars and instruments into the hands of kids and provide the education and discipline to play them. The Daytona News Journal featured Anne as one of the most influential local business women in 2016. Anne and her husband, Derrick, are members of the Blue's Society and the Peabody Auditorium Foundation.
