

**Instructions**

1. Be ready beside the start cone. Jog over the logs.
2. Transition to a lope and lope over the logs.
3. Continue to lope into the chute. Stop. Back out of the chute
4. Sidepass left to align with the bridge.
5. Walk over the bridge and continue to walk to the gate.
6. Work the gate as a right hand push.
7. Jog over the logs in a serpentine.  
 Pattern is complete when horse and rider pass the finish cone at a jog.
