Dear Friends and Supporters:

WANTED: JUNIORS FOR SUMMER CAMP - Many churches work hard to get their teens to Mt. Salem for summer camp because of the spiritual impact it can have on their lives. I pray that your church would also consider bringing your juniors to camp. We love juniors because they brighten our week with their excitement of being at camp. Mt. Salem's Men of Ministry teaches dramatized Bible stories to the juniors. They also have morning devotions and Bible memory verse time each day. At the last night's service is the Giant Lollipop where everyone gets a handful of suckers! What an awesome time the juniors have playing organized games and team competitions. Other activities they can choose are: swimming, going down the 75' pool slide named "*The Backslider*," sand volleyball, hayrides, two horseshoe pits, the Game Room with pool tables, ping pong tables, foosball, shuffleboard, and tables and chairs for checkers and board games. Also available for a minimal fee is the "*Hang-Time*" zipline, paintball, rifle range and crafts.

Juniors are great! We always save on water 'cause a dip in the pool each day usually "*subs*" for an evening shower! Many parents are amazed when their juniors return home that their clothes are still nice and neatly packed in their luggage! All this to say, how much a week of camp can be a spiritual and fun time for your juniors. So, please bring your juniors this summer. Also, family rates at our Swiss Village Motel includes your camp registrations for all camp weeks.
