Southern Cross Contracting, Inc.

Sarasota, FL 34240

To Whom it may concern:

I want to take the opportunity to commend Southern Cross here
thanks from everyone at SCD!!

Jerry really owned the job. It was his "baby". That really goes a long way with ANY
owner. Really appreciate Jerry

And Jeffrey shepherded us through the project management and paperwork in a very
professional way - working late at night, in the middle of the night and thru his carpal
tunnel surgery!

Very pleased with the performance of your company, despite a few minor conflicts
Steve - very reasonable and professional!

You were all approachable, willing to discuss any issue, and delivered the project

What I want to take special note of is the focus on customer service
I have done over 150 commercial projects - you guys are among the best -
Whiting Turner ranked very high for me but it was 80 projects and \$100mm over 2
years - hardly the scale here but a similar level of commitment to service

I would highly recommend you guys in the future –

Sincerely,

Dan Barzel
