Be Bold

It has been said that you can never step into the same river twice; that the water continues to overflow your steps. So, we too continue to change and July begins the administration under a new board of directors.

As we begin this new term, I want to ask each of you to be bold. Be bold in your new ideas for the club and freely share them with me or another board member. Be bold in finding new members who will fully engage in the club and enjoy their membership. Be bold as we form a club that will fulfill its historic role of making an impact on our society. As you may have noticed in the crazy installation ceremony, each of our officers has an “ingredient” to lend to the “recipe” of our club. We will continue to be driven by the

board, and each has an important impact in the decision process.

We also had good news from the Fiesta San Antonio Commission: we were elected to a position on the Executive Board as a Participating Member Organization. We will have opportunities to participate in major decisions for this important organization. In addition, it was recently announced that our Fiesta Flower Show will be co-sponsored with the Terrell Hills Garden Club in order to make it a National Garden Club Flower Show and potentially give us

additional recognition and awards. How bold are those two things? Thank you, Chairman Jamie Whitfield, for making this happen.

So, as the summer has slowed our pace, rest assured that your board is working diligently on our summer functions as well as the many events and meetings for the coming year. The plan for programs is exciting, and the opportunities for you to pitch in will be many. I hope that you will step forward with your talents and be bold!

MEMORIAL BRICKS

Bricks! Bricks! Bricks! Don't forget this is such a unique and special way to make a lasting memory for the affordable price of \$50. Ask Martha for the form which must be completed and turned in to her with your payment (check, cash or credit card). Please make sure Martha sees/is aware of your order with payment so she can advise me that it is pending, has been paid for and is ready for review before we turn over to our engraver. A hand written gift card/note will be sent to those being honored as long as you complete that section on the form.

CARE AND CONCERN

- ❖ Belinda Pena Bosquez's husband Wally has been in the hospital with a serious infection. Please continue to keep them in your prayers. Cards welcomed
- ❖ Longtime member Elizabeth Ann Sklencar is in rehab with a broken leg. Prayers for a swift recovery. Cards welcomed.

NEWS YOU CAN USE

- ❖ If you haven't yet picked up your **Yearbook** – do so! They are in the office. And a reminder that new Yearbooks will be printed soon. Time to update photos or any information!
- ❖ **Dues** are still due! Remember to pay your annual dues before they are due again - AUGUST!
- ❖ A gentle reminder that the **application for membership** is new and improved. If you have the old application – toss it and pick up a new one in the office
- ❖ And just something for your consideration...did you know that the bank charges us 3% of the purchase price whenever a **credit card** is used? Those charges really add up and cut into the money that we have to support the house. So, if possible, please consider a check or cash for those small purchases.
