

## Valerie Keller

I was born in Burnaby, B.C. and grew up with my five siblings in Chase, B.C. on the South Thompson River. From an early age art was my passion and I was deeply inspired by nature and the changing seasons.

We raised our 3 children in northern B.C. where I enjoyed bringing art and creativity into their lives.

I am not formally trained but have attended workshops over the years. I started with sketching and watercolors, recently I have started to work in acrylics and making spirit dolls and other spiritual tools.

We moved to Ashcroft in 2012 and I felt the call to join the art group here.
