

Our Privacy policy

We collect certain information or data about you when you visit 11-london.com

This includes:

- questions, queries or feedback you leave, including your email address if you send an email to 11-London.com
- your IP address, and details of which version of web browser you used
- information on how you use the site, using cookies and page tagging techniques to help us improve the website

This helps us to:

- improve the site by monitoring how you use it
- respond to any feedback you send us, if you've asked us to
- provide you with information about our services if you want it

We can't personally identify you using your data.

Where your data is stored

We store your data on secure servers in the UK, EU and the US where US servers comply with the EU-US Privacy Shield scheme.

By submitting your personal data, you agree to this.

Keeping your data secure

Transmitting information over the internet is generally not completely secure, and we can't guarantee the security of your data.

Any data you transmit is at your own risk.

We have procedures and security features in place to try and keep your data secure once we receive it.

We won't share your information with any other organisations for marketing, market research or commercial purposes, and we don't pass on your details to other websites.

Disclosing your information

We may pass on your personal information if we have a legal obligation to do so.

Your rights

You can find out what information we hold about you, and ask us not to use any of the information we collect.

Links to other websites

11-London.com may contain links to and from other websites.

This privacy policy only applies to this website, and doesn't cover other websites we link to.

Following a link to another website

If you go to another website from this one, read the privacy policy on that website to find out what it does with your information.

Following a link to 11-London.com from another website

If you come to 11-London.com from another website, we may receive personal information about you from the other website. You should read the privacy policy of the website you came from to find out more about this.
