## About you:

Name: \_\_\_\_\_

Region and Forest: \_\_\_\_\_

Height: \_\_\_\_\_ Weight: \_\_\_\_\_ Right or Left handed? \_\_\_\_\_

Do you carry your weapon on your right or left side? \_\_\_\_\_

Measure the gap between the bottom of your ballistic panels and the top of your duty belt. Result in inches: \_\_\_\_\_

Were your ballistic panels made for you? \_\_\_\_\_

## Take your measurements:

All measurements must be taken while wearing a uniform shirt and duty belt. **DO NOT** wear body armor, ballistic panels, or vest carrier. Have another person measure you. Write down all your results in inches. Please visit our website at [turtletracks.us](http://turtletracks.us) for detailed information and pictures of the measuring process.

#1 Back: measure from the base of your collar seam to the top of your duty belt:	
#2 Center front: measure from the second button on your uniform shirt to the top of your duty belt:	
#3 Chest: measure under your arms all the way around the widest part of your chest:	
#4 Waist: measure all the way around the widest part of your waist just above your duty belt:	
#5 From the center top of your shoulder, down the front to the top of your duty belt:	
#6 From the top edge of your duty belt in the front, all the way over your shoulder to the top of your duty belt in the back:	

**Tracings of your ballistic panels:** Trace your panels onto a large piece of paper, such as an old map, the back of a target, or newspaper. Trace the front and back panels on separate sheets of paper. Label the panels with your name and “front” or “back”. **Cut out each tracing.**
