Come socialize your dog at Borderland! Join Ranger Darren for a three-mile moderate hike, with breaks along the way for dogs to swim in the ponds and play at our new off-leash area opposite Smith Farm! Route varies slightly each week. Dogs must be dog-friendly, and be under voice control if taking off-leash.

Please dress for the weather and bring water for your pet. Rain cancels. Children must be accompanied by an adult. For more information call 508-238-6566.
