Members' declaration of interests (for items on the agenda)  Approval of minutes  The minutes of the previous meeting were approved and signed.  EE have not yet responded with an update that includes the Emmington end of the village as well as the centre. The Vodafone scheme may open in April.  Al  Neighbourhood  Planning  Conflicting advice has been received from Community First Oxfordshire, so clarification is being sought from Charlotte Colver at SODC. More information is required about grant availability and arranging a housing needs survey.  SODC are updating their Strategic Housing Land Availability Assessment and are inviting landowners to submit potential sites for development consideration as part of the Local Plan 2031. This information is publicly available and any potential sites in Sydenham could be considered when discussing a Neighbourhood Plan.  Speeding  A site meeting has been arranged with Keith Stenning on Friday 15th. This will include discussion about the types of traffic calming that would be suitable in the village and the process by which the parish council can proceed with any scheme chosen.  A quote for renewed road markings has been received from Mark Francis and is being considered. OCC are willing to provide 50% of the funding so the cost to the parish council would be £1064 plus a 10% admin charge to OCC which is being queried.  The number and severity of potholes between the Stert and Holliers Close has been flagged up to Highways and logged on FixMyStreet. These are being assessed by the Highways and logged on FixMyStreet. Mark Francis has agreed to replace the 30mph roundel signs throughout the village and this work in now in hand.  The VAS sign on the main road towards Chinnor is no longer working and the cost of repair was discussed versus the benefit of borrowing/buying mobile equipment that records the speed of the traffic and that can be passed to the police. The data can't be used to issue tickets but proves that there is a real speeding issue which the police camera van can then patrol. A joint purchase between several parish councils was discussed.  The availability of the SID to be investigated.  OALC to be asked about powers of expenditure for traffic calming, road markings and SID purchase.
