PRESIDENT'S MESSAGE

Dear Gascarians,

As we start a new year at GaSCar, we realize how precious and short our time is here. In 2018, we saw many happy and good times, but also much sorrow and pain. I hope that 2019 will be gracious to us. There will be heartache and pain, but we will have tremendous blessings, as well.

Thank you to Mike and all the officers for their outstanding leadership this past year. As we move forward, we know each member is important to the success of our car club.

Our annual Christmas Party saw a record gathering as we enjoyed a delicious meal together. What better way to make new friends, than to visit over good food and fellowship.

The January meeting's program will be a presentation of a 1956 Ford restoration by Gerald Melchior. We know this will be interesting. Then our Movie Night the following Saturday evening begins at 6:30 pm. Hot dogs and popcorn will be served. As always, Mark will have a special movie for us. We always have a good turnout for this activity.

Our Board will be meeting at Anne Johnson's Tuesday, January 8th. We will be discussing new plans and ideas for our club. Please be in touch with us if you have any comments or suggestions for the Board. We will see you at our January club meeting.
