2016 DUES ARE DUE

It is that time again for us to renew our memberships for the year 2016.

Dues are as follows:

Regular member \$35.00

2nd family member \$25.00

Junior Member (under 18) \$20.00

Thank you to all of you who have paid your dues. We'd like to remind you that the renewal must be sent in before Jan 31st.

COMMITTEE REPORTS

American Red Cross Report

By June McCollough

The ARC meeting was held on January 10th due to the New Year's Holiday. We reviewed the Standard Operating Guidelines for ARC. The next meeting will be on February 6th at 9:00 AM at 3950 Calle Fortunada, San Diego CA. 92123. This is an open meeting for anyone unless they are discussing confidential ARC business.

RACES/ACS

By June McCollough

The RACES/ACS meeting was held on January 4th at the Office of Emergency Service (OES). The first announcement was that RACES will be known as ACS (Auxiliary Communication Services) to better recognize our service to other organizations. ACS will be starting an aggressive training program, the first will be held on January 30th. This will be training on the Vehicles that ACS have available to them. If you are interested in joining the new ACS, please contact either Roger McCollough or myself and we will give you contact information. The next meeting will be on February 1st at 6:30 (1830 hours).

January 2016 Net Committee Report

Timothy Everingham

Southwestern REACT continues a net every first and fourth Thursday at 8:00 PM. It is on the 449.440 MHz Community Based Repeater with a standard negative input offset of 5 MHz and a PL of 107.2 Hz on Mt. Otay. Both Southwestern REACT members and visitors are welcome. On December 24 there were eight member and two visitor check-ins. On January 7 there were seven member and three visitor check-ins. George Reeves and Timothy Everingham are sharing net control duties. Greater publicity of the net is probably still necessary to increase participation on the net. Over time there have been some changes to the net script to increase efficiency, which need to be made to the official net script.

The Cloudy Side of Sunshine

By Cindy Wilcken

We have often heard that to truly appreciate the sunshine we must experience some clouds, but luckily the only clouds we've had lately have floated through the sky and delivered much needed precipitation.

Thought of the Month:

"What sunshine is to flowers, smiles are to humanity. There are but trifles, to be sure; but scattered along life's pathway the good they do is inconceivable."
-Joseph Addison
Remember the value of your **"Smile"**.
