

AGENDA
AWSC Sub-Committee Workshop
Cruise Tourism Workshop
Tuesday, March 21
8:30 – Noon

U.S. Forest Service Conference Room
Federal Building, Room 541
Juneau, Alaska

Dial-In Number: 866-732-3091
Participant Code: 1165301

Hosted by Dr. Martin Robards and Scott Gende (NPS)

Goal: We will convene to review key concerns about and best practices already recommended to address impacts of Arctic cruise tourism. Some of these are relevant to the Arctic Waterways Safety Committee and can be considered for inclusion in a Standard of Care. Others would be beyond the purview of a Safety Committee, but will be summarized for individual stakeholders to use for their own purposes.

8:30 – 8:35	Welcome and invocation
8:35 – 8:45	Introductions
8:45 – 9:00	Overview of purpose of the workshop (Martin)
9:00 – 9:30	Summary of existing measures and recommendations for best practices by the cruise tourism sector (Martin and Scott)
9:30 – 10:00	Discussion
10:00 – 10:30	Break
10:30 – Noon	Facilitated discussion to establish key areas of concern or areas warranting further action.
