

3/15/20

Dear families,

As promised, we continue to monitor the evolving status of the COVID-19 (Coronavirus). The health and well being of our dancers, families, faculty, and community will continue to be a top priority.

We have made the decision to suspend classes at The Dance House for the week of March 16-19. As such, we will be utilizing one of the calamity days/class for this upcoming week. Just a reminder, all tuition rates include and account for a minimum of 32 weeks of classes with two calamities days built into our calendar, as well as the scheduled studio holidays (Details can be found on our website and parent/student handbook).

Our faculty will be recording the portions of the recital dances that have been taught thus far, and we will email you instructions on how to access those videos. Please be sure to check your email (inbox and junk mail) in the coming days for updates and further information.

We know this is a very challenging time for everyone as we adjust to an abrupt change in our normal routines. As such, we will be working together to provide at home opportunities and suggestions for ways in which to keep your dancers engaged with their love for dance.

Again, each day we will follow information coming from the CDC as well as the Medina and Wayne County Health departments. Thank you for your understanding as we navigate this unprecedented event in all of our lives.

Sincerely,

Amy Wilson, owner
The Dance House, Inc.
