

MEMBERSHIP MATTERS

At the Virginia Education Association, Membership Matters Because....

- ✓ ***Your voice matters!***
We're the biggest and best organization for education professionals in Virginia. We've got a powerful voice in Richmond and around the state—which means YOU do, too.
- ✓ ***Your classroom matters!***
VEA workshops, publications and websites are there with instructional guidance.
- ✓ ***Your protection matters!***
No one thinks they'll ever need legal help, but in today's litigation-happy world, challenging things can happen to anyone. You'll have a \$1 million liability policy and a local UniServ director to help you. Now.
- ✓ ***Connecting matters!***
No one knows schools like your colleagues do. VEA offers unmatched opportunities to network with educators from around Virginia—and beyond.
- ✓ ***Saving money matters!***
Our Association's buying power means big savings for you. Visit www.neamb.com and see how member discounts can cover your dues and more.
- ✓ ***Pride matters!***
There's great pride in being part of your professional community, working for the ideals all educators hold dear.
