

NOT JUST ANOTHER CONSTRUCTION COMPANY!

At Lumin8 Transportation Technologies, we are focused on the full range of Smart Infrastructure Services for the transportation industry. We design, construct, install, integrate, operate, monitor, and maintain a wide variety of Transportation Infrastructure Assets/Technologies for our customers and our communities.

Lumin8 prides itself on being on the leading edge of transportation technology solutions and creating a culture offering personal and professional development. Our differentiator is that we live by our core values each day – teamwork, safety, accountability, and innovation. We believe that our employees truly make a difference in the communities they serve. We offer a comprehensive benefits package including Medical, Dental, Vision, Short/Long-Term Disability, Life Insurance, Paid Time off, and a matching 401(k) plan.

We are currently looking for a variety of candidates across the US to join our Regional Teams in CO, GA, VA, and NC. To learn more about us and apply, please visit our website at <https://lumin8.com>.

We look forward to meeting and working with you!
