WHAT IT MEANS TO BE A DEACON

To be a minister.

To be of service to God's people.

To really care about the people I'm serving.

To seek to solve problems rather than create them.

To be involved in the total life of the church.

To participate in the total ministry of the church.

To set an example for the members of the church.

To be a servant – to live as close to Jesus Christ as possible.

To share Christ with others and guide people to Christ.

To love people as God has loved them and to put his love in action.

To be a person set aside by the church.

To be faithful to all ministries of the church.

To be a dedicated Christian.

To be of service in any way possible.

*To be not only a worker but also to let others know that I am a member
of the church family.*

To have a sense of calling.
