Teen Tech Week

Can you guess what this gadget is? If you guessed a computer, you're correct. However, it isn't the newest model out on the market now is it? This is just one example on how technology has changed over the years. During the week of March 6th through the 10th, we will be showing some of the ways technology has grown over the years.

How about this mechanism? This is quite different than those fancy front loading washers that are available nowadays. This washing machine doesn't have a digital screen or play a fancy little tune when it is time to switch over the load of laundry.

Now with the latest and greatest electronic tablet, you can do almost anything, so it seems! As time goes on technology continues to change leaving us wondering, "What's next?" Stop in and see us during Teen Tech Week to see how times have changed and the "now and then" of technology.

UPCOMING MOVIE RELEASE

Fantastic Beasts

Holding a mysterious leather suitcase in his hand, Newt Scamander, a young activist wizard from England, visits New York while he is on his way to Arizona. Inside his expanding suitcase hides a wide array of diverse, magical creatures that exist among us, ranging from tiny, twig-like ones, to majestic and humongous ones. It is the middle of the 20s and times are troubled since the already fragile equilibrium of secrecy between the unseen world of wizards and the ordinary or "No-Maj" people that the MACUSA Congress struggles to maintain, is at risk of being unsettled. In the meantime, the voices against wizardry keep growing with daily protests led by Mary Lou Barebone and fuelled by the increasing disasters ascribed to a dark wizard, Gellert Grindelwald. At the same time, by a twist of fate, Newt's precious suitcase will be switched with the identical one of an aspiring No-Maj baker, Jacob Kowalski, while demoted Auror, Tina Goldstein, arrests Newt for being an unregistered wizard. To make matters worse, with the suitcase in the wrong hands, several creatures manage to escape to unknown directions. Before long, this situation will catch Senior Auror Percival Graves' attention who will target both Tina and Newt amid panic caused by an invisible, devastating and utterly unpredictable menace that still wreaks havoc in New York's 5th Avenue. Is there a hidden agenda behind Graves' intentions and ultimately, what will happen to the remaining magical creatures still loose in the streets?

UPCOMING ADULT NON-FICTION

The Stranger in the Woods

by Michael Finkel

Many people dream of escaping modern life, but most will never act on it. This is the remarkable true story of a man who lived alone in the woods of Maine for 27 years, making this dream a reality—not out of anger at the world, but simply because he preferred to live on his own.

In 1986, a shy and intelligent twenty-year-old named Christopher Knight left his home in Massachusetts, drove to Maine, and disappeared into the forest. He would not have a conversation with another human being until nearly three decades later, when he was arrested for stealing food. Living in a tent even through brutal winters, he had survived by his wits and courage, developing ingenious ways to store

edibles and water, and to avoid freezing to death. He broke into nearby cottages for food, clothing, reading material, and other provisions, taking only what he needed but terrifying a community never able to solve the mysterious burglaries. Based on extensive interviews with Knight himself, this is a vividly detailed account of his secluded life—why did he leave? what did he learn?—as well as the challenges he has faced since returning

to the world. It is a gripping story of survival that asks fundamental questions about solitude, community, and what makes a good life, and a deeply moving portrait of a man who was determined to live his own way, and succeeded.

UPCOMING ADULT FICTION

Other Fiction Releases:

- 
Man Overboard
 by J.A. Jance
 In *New York Times* bestselling author J.A. Jance's gripping new thriller, *Man Overboard*, two tech geniuses face off—one intent on saving lives, the other on ending them. Cybersecurity expert Roger McGeary finally has his life back on track after years of struggling with depression. But when he falls from the balcony of his suite on an all-expenses-paid cruise, the police quickly dismiss it as "death by misadventure," a vague phrase leaving much to interpretation. Unsatisfied, Roger's tough-as-nails aunt, Julia Miller, is determined to find answers and closure. By contacting Roger's childhood friend Stuart Ramey to help her solve the mystery of his fate, Julia unwittingly sets up a collision course with a serial killer. Stuart, his sidekick Cami Lee, and journalist turned amateur sleuth Ali Reynolds put the full resources of cutting edge online security firm High Noon Enterprises into learning the truth about Roger's death. With Cami on the high seas investigating the ship from which Roger disappeared, Stuart stays tied to his computer, locked in a battle of wits and technology against an unusually twisted adversary. Aided by Frigg, an artificial intelligence companion of his own creation, the killer targets victims who have lost parents to suicide and attempts to drive them to the same tragic end. When the heartless killer and his cyber accomplice set their sights on Stuart, High Noon must race against time to save him and countless others.

UPCOMING OLDER CHILDREN FICTION

If Your Monster Won't go to Bed

by Denise Vega

If you have a monster that won't go to bed, don't bother asking your parents to help. They know a lot about putting kids to bed, but nothing about putting monsters to bed. It's not their fault; they're just not good at it. Read this book instead. It will tell you what to feed your monster before bed (it's not warm milk), and what to sing to your monster (it's not a soothing lullaby), and what to read to your monster to send him off to dreamland in no time (the scarier, the better). Just make sure you don't get too good at putting monsters to bed—or you might have a BIG problem on your hands!

JUNIOR ADULT UPCOMING ARRIVAL

Jake the Fake Keeps it Real

by Craig Robinson

For fans of Diary of a Wimpy Kid and Big Nate comes a new side-splitting series from comedian and film star Craig Robinson, #1 *New York Times* bestselling author Adam Mansbach, and NAACP History Maker recipient and cartoonist Keith Knight. Jake can barely play an instrument, not even a kazoo. And his art? It's better suited for Pictionary than Picasso. Which is a real problem because Jake just faked his way into the Music and Art Academy for the gifted and talented (and Jake is pretty sure he is neither). More jokester than composer, Jake will have to think of something quick before the last laugh is on him. Featuring more than 160 illustrations, Jake the Fake is sure to bring the laughs with his hilarious high jinks!

YOUNG ADULT UPCOMING ARRIVAL

Exo

by Fonda Lee

It's been a century of peace since Earth became a colony of an alien race with far reaches into the galaxy. Some die-hard extremists still oppose alien rule on Earth, but Donovan Reyes isn't one of them. His dad holds the prestigious position of Prime Liaison in the collaborationist government, and Donovan's high social standing along with his exocel (a remarkable alien technology fused to his body) guarantee him a bright future in the security forces. That is, until a routine patrol goes awry and Donovan's abducted by the human revolutionary group Sapience, determined to end alien control. When Sapience realizes whose son Donovan is, they think they've found the ultimate bargaining chip. But the Prime

Liaison doesn't negotiate with terrorists, not even for his own son. Left in the hands of terrorists who have more uses for him dead than alive, the fate of Earth rests on Donovan's survival. Because if Sapience kills him, it could spark another intergalactic war. And Earth didn't win the last one . . .

1000 Book Read Program

For those who are too young to participate in the Summer Reading Program, we also offer the 1000 Book Read Program. The goal is read one book per day. This helps to develop language skills, vocabulary and also can prepare your children to enter kindergarten.

The staff will keep track of your reading using a book chart. If you have questions about the program, please contact Sherry Helmuth, Program Coordinator at 453-2341. Information sheets are available at the circulation desk.

We would love to see you at the Pigeon District Library. Come take a look at our selection of books, references and movie rentals that are available to the community.
