

North Dakota Envirothon

From the Valley to the Badlands

North Dakota State Envirothon Competition
May 8-10, 2024 at Crystal Springs Camp

The North Dakota Envirothon is a hands-on, problem-solving natural resource competition for high school students. Teams of 5 compete in the areas of soils, aquatics, wildlife, forestry, and prairie. These 1-day events cost only \$25/team. We encourage all teams/schools to try out an events to see what an Envirothon competition is all about. Each competition is mostly outdoors and includes team testing and education stations hosted by natural resource professionals. Registration and study resources are available on our website: ndenvirothon.org

Fall Regional Envirothon Events:

- Mouse River Loop - September 20, 2023 at the Upper Souris National Wildlife Refuge
- Sheyenne River Valley - October 3, 2023 at Valley City National Fish Hatchery
- Lewis and Clark - October 11, 2023 at Washburn 4-H Camp
