

## 2017 THURSDAY EVENING MEN'S CLUB EVENTS!

The Thursday Night Events are designed specifically for the Men's Club to have a night during the week to play a competitive, fun event. This is also an opportunity to bring a "guest" or "prospective member" to come play and meet some more guys from the club. This is certainly an opportunity to drive membership for the Men's Club by bringing people out to play these nights.

You may request partners and pairings but Jake and I have the right to switch things around if we have to based on the number attending. We will do our best to accommodate requests especially partner event weeks. Like last year, I will send an email opening up sign up for next event. If there isn't enough signed up by that Wednesday evening for the Thursday event then we will cancel for that week. We will finalize groups by Wednesday evening so hopefully no changes will be needed on the day of the event.

**HANDICAPS:** We'll use WSGA official handicaps for the events. If a guest or public player does not have a handicap, the club member inviting should provide the professional staff with their most recent 5 scores and we'll calculate a handicap for that player. All handicaps will be calculated and approved by the professional staff. **All events will be handicapped.**
