Multiplying Churches

"I will surely bless you and I will surely multiply you." Hebrews 6:14

If you read only secular news, you may not realize that the Gospel is still powerful and still going forth with power around the world.

Imagine: Our 5,000 or so international missionaries and their national partners start nearly 30,000 churches a year. That means we have a hand in starting 82 churches a day, on average, around the world. Some areas are especially responsive. Our missionaries in China work with five Christian house church movements; three of those are already larger than our entire nationwide Southern Baptist Convention.

Some 4,000 new churches have been started in northern India in the past 10 years.

When new churches quickly start more new churches, a church planting movement can develop in which thousands of people come to Christ in a short time. Pray that God will give us more such movements!

In North Carolina, our Baptist State Convention leaders are praying a similar movement will start. They are helping churches start new churches with the idea that these will start more new churches very soon. With 5.6 million lost people in North Carolina, adding new churches gradually is not enough. We need multiplying new churches.

Missionary Highlight

Corey Alley, Church Planter/Pastor
Mission 217, Concord, NC

Mission 217 is a new church in the Concord/Kannapolis area that takes its name from Mark 2:17. That's the verse in which Jesus said He came into the world not for righteous people, but for sinners. The new church meets in a shopping center on South Main Street in Kannapolis.

Pastor/planter Corey Alley believes people need the Gospel of Jesus Christ clearly explained, biblically taught and shown in a relevant way. Worship at Mission 217 includes Corey's Bible-based preaching, often in a series, plus music, video, art, poetry or skits.

"Please pray for us to be effective in understanding the needs of the people in our community, that we will be able to proclaim the Gospel," Corey asks.
