

2016 Volunteer & Fundraising Requirements

Volunteer Requirement: each participant is required to provide 7 hours of volunteering by an adult, which will be assigned at the initial parents meeting (or soon thereafter), prior to the beginning of the season. Volunteer hours are **REQUIRED** for participation in any Pop Warner association. If you fail to fulfill your assigned volunteer obligations at any given event during the season, your child will not be allowed to participate in any league functions until the volunteer requirement is met.

Again, the volunteer requirement is **NOT OPTIONAL!**

Scholarship Volunteer Requirements: Those who have children on scholarship are required to work an additional 10 hours of volunteer time (which is usually worked at the Certification event). This is in addition to the 7 hours listed above, so you must work in all a total of 17 hours.

Fundraising Requirement: CVL is completely non-profit, 100% volunteer-run organization. Fundraising is a necessity and allows the league to function to the benefit of your child and community. Registration fees alone do not cover the cost of running the league. To that end, each participant is required to participate in the league-wide fundraiser, and is expected to actively support and participate in any team-specific fundraising. Participants that fail to fulfill their fundraising obligations will not be allowed to participate until the obligation is met.
