Serving Perry County

Located in Green Park, Stone House Farm & Inn is a 12-acre farm, with a converted stone tannery and barn, built in 1813. The Stone House and surrounding property with its woods, pasture, creek and pond is an ideal location to learn a variety of agri-industry skills. The Stone House Farm & Inn provides a genuine farm stay experience for travelers. Our historic barn and Inn offer the perfect setting for weddings, parties, or business retreats. We teach agriculture and hospitality jobs involving farm maintenance, livestock

care, gardening, retail sales, culinary practice, housekeeping, special event coordination and domestics. Skills learned here can lead to work in: the hospitality industry, horticulture, retail sales, agriculture, animal care and related employment areas.

check-out process and knowledge of local restaurants/sightseeing.

Landscaping—vegetable and flower gardens around the Inn.

Retail—production of furniture and household decorative items, gift shop pricing, display, inventory and sales.

Event Staff Training—for set up of weddings, parties, retreats and meetings at the Inn.

Farm Experience—raise animals and grow produce for sale at roadside stands or markets, learn routine property equipment maintenance.

All positions pay minimum wage for hours worked.

Careers at Stone House Farm & Inn includes:

Housekeeping—preparing rooms for guests by cleaning walls, windows, floors, dusting; washing and changing linens.
