

NOTICE REGARDING BOARD MEETINGS

In view of public safety concerns regarding COVID-19, the Board of Directors of the Byers Park & Recreation District will, until further notice, conduct all regular and special meetings using electronic means, as permitted by Colorado statute (C.R.S. § 24-6-402(1)(b)).

By law, the meetings are open to the public and citizens are encouraged to participate.

If any member of the public wishes to participate or comment during the course of any such electronic meeting, they may do so by appearing at the Quint Valley building and using the electronic means set up at that location. Persons appearing to speak should take appropriate safety precautions and observe physical distancing, as recommended.

Minutes of all such meetings will be available following approval of such minutes at a subsequent regular meeting of the Board.

The Board desires that all members of the community follow all safety recommendations issued by local, State and national authorities.

Please be safe!
