

To the Samish Island Association Member Congregations,

(Coeur d'Alene, Lewis & Clark, Richland, Sagle, Spokane Valley & Walla Walla)

We need your help in further determining if we will be able to have the 2019 IWMC Samish Reunion, June 22-28, 2019. Given the number of concerns (i.e., needing a director(s), financial feasibility, being able to find staff, and anticipated lower attendance) the mission center has made an initial decision to cancel this year's reunion.

However, to help us in further consideration we need to hear from you by **Tuesday, April 2, 2019 or sooner.**

1) Are you planning to attend this summer's Samish Reunion, June 22-28, 2019?

2) If you are planning to attend, are you willing to help with staffing needs (i.e., co-teaching youth or kids classes; kitchen helps; dining room duties; etc.).

Please reply to Sandy Decker: sdecker@cofchrist-iwest.org.

We look forward to hearing from you.

Blessings,

Brad A. Martell

Mission Center President
