1. We have read the Parent Instruction Manual and will comply with the requirement stated therein.
2. We have selected (or are selecting) and are purchasing curriculum material to be used during the school year for our children.
3. We will maintain a study plan/journal for each child during the school year. We agree to make this plan/journal available to the school administrator or designated representative upon request.
(If this is your first time enrolling with BCA you must submit a copy of your study plan).
4. We will maintain an attendance record for each child during the school year showing a minimum of 175 days of attendance per calendar year.
5. We will submit two progress reports summarizing the educational accomplishments and progress to date of our children. The first progress report will be submitted by January 10th, the second by June 10th.
6. We will maintain student files for each child. These files will contain enrollment records, progress reports, study plan/schedule, attendance record, and curriculum materials completed during the school year.

9. We release the BCA school administrators, coordinators, and other support staff from responsibility or liability for the education and the social and physical well-being of our children. We agree to assume all risk for the well-being of our children at any functions or activities sponsored by members of the BCA support groups.
10. We acknowledge and confess that Jesus Christ is Lord in our hearts and home. Our children will study the Bible as part of our home education program and we purpose to conduct our lives in accordance with these teachings.
