

# Invisible Trauma

This training is provided on behalf of the Wisconsin Department of Health Services, Division of Public Health

## At this training you will:

- Learn how adverse childhood experiences (ACEs) impact our lives and the way we interact with others.
- Be able to recognize when you or your colleagues need outside help and resources for support around toxic stress.
- Learn how stigma impacts you and your patients.
- Recognize signs of burnout and job-related trauma.

Join the North Central Regional Trauma Advisory Council:

Thursday, May 16, 2019
