Xulon Title Reveals How Pray to Yield Results in Every Situation Akinbo stretches readers past their comfort zones and into powerful prayer lives

MAITLAND, FL— Abolaji Muyiwa Akinbo has penned a one-of-a-kind book meant to bring transformation in the life of the believer and ultimately change the world. The author's new book, ***PRAYER, POWER & RESULTS!*** (\$16.49, paperback, 9781498425575; \$26.49, hardcover, 9781498428132; \$8.99, e-book, 9781498428149) will eliminate every excuse as to why anyone cannot pray. Akinbo offers key information to sharpen by far the most potent, yet misused and underused, spiritual tool in the reader's arsenal: prayer. The author emphasizes that praying correctly and effectively creates power, *which produces results*.

"The reader will never be able to say, 'I don't know what and how to pray again,'" states the author. "I hope readers take away that delay in answer is not denial of prayer, that prayer sometimes takes time, readers must therefore pray until something happens, because it will if we don't quit. The reason is that our prayer is the justification the Lord needs to intervene and if we don't pray, nothing happens."

Abolaji Muyiwa Akinbo is the founding pastor of God's Family Bible Church in Palm Coast, FL. The author is a prayer warrior, best selling author, teacher, and preacher of the Word, with a strong desire to help people achieve their dreams and fulfill their God-given potential. He is also a graduate of University of Lagos, Rhema Bible Training College, and Life Christian University of Tampa. The author is married with three children. His friends and congregation fondly call him "Pastor Bo."
