### **5. Treasurers Report**

An e-mail came from the CFO of Franklin Township stating that the first quarter tax payment will be made on March 23<sup>rd</sup> 2018 in the amount of \$134,748.75.

A motion to accept Treasurers report as read was made by Andrew Bellone Jr. and was seconded by Samuel Scapellato.

#### 6. Old Business

There is still as \$2,500.00 grant that was received that was not applied. The Board believes that the funds were for the replacement SCBA's, or for the purchase of the SCBA fit testing machine. The Board forwarded the funds in advance of the grant to pay for the SCBA's. The grant should have been applied to that expenditure. Thomas Bellone Sr. went through the records to determine if this is correct. Thomas was unable to confirm if these funds were for the SCBA grant. Ed Paul was present at the meeting and stated that the amount will be written off and this matter can be considered closed.

The next scheduled payment to Wells Fargo for the KME Rescue Truck was sent. The Board agreed that this payment should be sent priority mail with a signature required. When this payment is received, the late fee that was mistakenly assessed to the account should automatically be removed.

This afternoon the Boards e-mail account was sent an e-mail from Wells Fargo clearing the late fee charges as promised. This matter is now closed.

#### 7. New Business

Resolution 2018-01 was adopted appointing Joseph Scapellato to fill the remaining unexpired term of Scott Graiff. As a reminder, Scott Graiff resigned from the Board due to his achieving the rank of Deputy Chief of the Department. The Resolution was read aloud, and a vote was conducted. The vote of "Aye" was unanimous, and Joseph Scapellato was sworn in and read the Oath of Office by the Chairman is now a member of the Board of Fire Commissioners, District 4, Township of Franklin, Gloucester County, NJ.

Mr. John Borelli Jr. added the new building and the LED sign to the insurance policy. John confirmed the procedure and the contacts for the workers compensation insurance so that we can pre-complete the forms on the trucks and add as much of this information as possible to make it easier at the time of an incident for the reporting officer. These forms have been updated and are on all apparatus.

The Board discussed purchasing a new bio-metric door lock to eliminate the need for keys.

Financial Disclosures will be ready to file on April 5<sup>th</sup> 2018. Mr. Myronowskyj will schedule a day and time for all filers to come to the Commissioners office so that he can assist them with the filing of the Disclosures if needed.

#### 7. New Business continued

Ed Paul of Ball, Buckley & Seher is working on the new command vehicle purchase. There are several concerns regarding the contract between First Priority and HGAC. Mr. Paul will research the issues and if First Priority is not on the HGAC contract, the Board may need to go out to state contract to purchase this vehicle. Mr Paul will keep up advised.

Resolution 2018-02 LFB Application for the Command Vehicle was adopted by the Board. This resolution is for the application to the Local Finance Board to purchase the vehicle. The vote of "Aye" was unanimous, and the resolution was passed.

Additional discussions were had regarding the building and purchase of the new vehicle if First Priority is not on the HGAC contract.

The Chief will work on creating a breakdown of what is needed for the vehicle. This information will be used to create the contract line items if needed.

Leasing options and payment dates were discussed. If the contract is signed and the vehicle is built and delivered, the leasing company that is selected will not receive a payment until January 2019, and the annual payment must be set for March of each following year. Ed Paul will be working with the different leasing companies to have a lease contract created.
