Goose Tatum, Blue Lake Walk to Emmaus #45, Table of Mark

What is the most recognized sound in the world? It can be whispered in a crowd and you can hear it. It can be called out in the middle of the night in a deep sleep and you will wake up. Little babies will stop what they are doing to look around at this sound. It is your name.

My Mama could make every one of her 9 kids freeze just by saying their name. And if she used both names as in **CARL DAVID**, I knew I was in trouble. Have you ever been standing at Candlelight and seen someone you knew but just could not recall their name? So you would ease over and try to take a sideways glance to see their name, only to discover that it was faded or was too small to read in the dark.

Hopefully the board has come up with a solution. We will be using new name badges starting with the August Walk. They will be 3 inches instead of 2 inches in diameter. The name will printed in bold black letters. For us optically challenged people it should be a big improvement. The design will stay the same it will just be larger and easier to read and should not fade out over time.

By the way did you know that Emily Post says your name badge should be worn on or near your right shoulder. That way when people go to shake hand they naturally look at your name badge. But at Emmaus, who cares because we hug anyway.

Walk # 80 Scripture Verse

66 At this point many of his disciples turned away and deserted him.

67 Then Jesus turned to the twelve and asked, "Are you going to leave, too?"

68 Simon Peter replied, "Lord, to whom would we go?

You alone have the words that give eternal life.

69 We believe them, and we know you are the Holy One of God."

John 6:66-69 [NLT]
