## PRESIDENT'S MESSAGE —Waskah Whelan

### Attention! Message from the President!

Our San Diego politicians want to impose a massive new MILEAGE TAX on every mile your drive!

Eighteen Chambers of Commerce across the County have formed the *San Diego Business Coalition* to spotlight the new exorbitant tax policies proposed by SANDAG. Drivers will pay \$800 more per year to drive on roads they already paid for with original gas and sales taxes.

**\$0.04-\$0.06 per mile**

**\$0.80 per gallon tax**

**\$800 more per year per car**

The Mileage Tax would be determined by a device installed in every vehicle, a tracking app on cell phones, or a yearly inspection of your odometer. This mileage Tax would cost tax payers over \$27 billion, **all without a vote of the people.**

SANDAG hopes to force an 11% increase in mass transit use with this punitive taxes on drivers. SANDAG installed bike lanes, removed parking spaces and cut down the number of traffic lanes on many streets all to force people onto buses and trolleys. It didn't work because mass transit doesn't go where the public needs to go and there is no security for passengers, especially after dark. This is risky for seniors and women alone as they are frequently target of thieves. Make that masked thieves since you can't ride a bus without a mask.

**Two things you can do about this money grab from SANDAG's Vehicle Mileage Tax (VMT)**

**1. Go to: \*[sdbusinesscoalition.com](http://sdbusinesscoalition.com) at top of the page click on**

**\*Make Your Voice Heard**

**\*Contact Your Elected Officials**

**Every** community is listed with details of the official to contact with their email address and phone number.

Then tell them you object to this tax and they were elected to serve the people. People do not want to pay \$800 per year extra to drive their own car to work.

**2. On Nov 2, there is to be an election to fill a vacancy on the La Mesa City Council** the outcome of this race will have a HUGE IMPACT on whether the Mileage Tax will be approved county-wide.

## PRESIDENT'S MESSAGE —Waskah Whelan

La Mesa is a "swing seat" on SANDAG – the county's transportation commission that is looking to impose the Mileage Tax. [Laura Lothian is the La Mesa City Council candidate](#) we want to elect!

If Laura wins in La Mesa, we get another vote to block the tax!

Please sign up ladies for our Drive and Knock partnering days with this link.

**Sat. Oct 9th and Sun. Oct. 10th**

Navajo will organize a call together day on our cell phones.

**Carl DeMaio is asking for our immediate help** (more details: Jordan Gurnett 661-309-5637)

**Volunteer Day of Action – Special Election to Stop the Mileage Tax!**

The coming year will be filled with campaign requests like this one.

*Let's start as we mean to go on* with everyone doing their part.

We didn't win the recall, but we forced Newsom to spend \$150,000,000 to keep a job he already had! That's \$150 million the Dems can't spend somewhere else plus hundreds of new volunteers and grass roots organizations we didn't have before! We attracted many new voters from Libertarian, Independent and Decline to State groups that voted to recall the Governor.

**Thank you for everything you do to help elect Republicans!**

## MEMBERSHIP—Laura Landegent

### MEMBERSHIP MOMENT

The harvest season is in full swing and RWCNC harvested 22 new members in September which secures our club 16 delegate seats at our county convention on November 6th. A HUGE thank you to all members and new members who made the SEPTEMBER DELEGATE DRIVE a landslide success.

### Members making a difference:

I'd like to recognize and thank member, **Janice Oliver** for volunteering to help me organize our FUNdamentals meet ups for the coming months. Her generous time and help has already made an impact. We have scouted new meet up spots for 2022 and have planned 2 more events for 2021. We are going to have so much fun next year!! More help is welcome and needed to make this event accessible and great for our members.

FUNdamentals is our 2nd monthly meet up designed to be held at happy hour time frames or on weekends specifically so that members who work or otherwise are not able to make our mid day monthly lunch or who want more time with friends, have another opportunity to socialize every month and talk politics in comfort with like minded club members.

### Upcoming FUNdamentals events:

**October 21, Thursday 4-6p at Keg N Bottle Bistro:** Meet the Firebrand, La Mesa City Council candidate, Republican Laura Lothian (on the La Mesa Ballot for NOV 2 MAIL IN ELECTION)

More details to follow, watch your email.

### CALL TO ACTION:

So you're a new member, NOW WHAT? Put your talents to work and help us make a difference. Last year was rough on everyone, including RWCNC. Our club operated but we were squeaking by on a skeleton crew. Waskah, Diane, Sally and others were pulling double shifts doing multiple jobs just to keep us going.

WE NEED YOU! We help each other and encourage creativity and innovation to make our club stronger and better. **Please consider volunteering for one of the several OPEN positions on the board and committees today.** Partnering is welcome and teamwork is more fun for everyone. Answer the call...

Reach out to me or anyone on our board for more info: [membershipprwcnc@gmail.com](mailto:membershipprwcnc@gmail.com)

**Membership Report:** 156 full members, 11 associate members

**The Halloween Shareable Meme:** Will be mailed to all members. It's post-able to Instagram and Facebook or copy and paste it into an email. Great for sharing with friends who might be looking for fellowship with like minded patriotic Americans.

## WAYS AND MEANS—Diane Randolph

I look forward to seeing you all at the Fashion Show on 10/12 where we'll be roaring through the day just like we will be roaring through the 20's... GO REPUBLICANS so come prepared for good food, good drinks and good times. I'd like to thank all the members who are volunteering their time and talent, all of you who have donated items, money and gift cards and of course all of you who are coming. In the next newsletter I'll provide more details about the event and I'll be able to let you know just how much money we'll be donating to Saved In America our local San Diego charity that rescues sex trafficked children.

November we'll be back at the legacy for our LAW and ORDER meeting and our Thanksgiving meal. Plans for a road show dedicated to "Stuff for the House" are in the works. More details about this will be provided in the upcoming weeks.

Again, look forward to seeing you on the 12th and in the meantime stay happy and healthy!

## CHAPLAIN—Ginny Wisley

*"And do not neglect doing good and sharing;  
for with such sacrifice God is pleased."  
Hebrews 13:16*

Happy October. Wow, already. Been a crazy year, hasn't it? I have had a lot of things going thru my mind to write about, but I keep returning to a phrase I heard in church in Ireland. As we enter what will, hopefully, be a busy holiday season, this phrase should be on all our minds now and always.

**Wherever two are three are gathered, one has a broken heart.** As we go about our day to day, to whom can you reach out? To whom can you give the extra smile? Who is hiding behind a mask of their false smile? Who didn't you listen to with your HEART? When did you say, "let's grab coffee" and then did not?

Do not be so busy this season that the broken person is more broken.

Be the healer as this new season starts.

Blessings.
