On the evening of March 7th club members and numerous guests gathered at Ellendale's Restaurant for our annual "Live Your Dream" Awards Dinner. Our recipient, Karen Potter, from Bowling Green is studying Criminal Justice at Strayer University. She was accompanied by a former employer who quoted her incredible work ethics and unquenchable desire to improve her life through education. We wish Karen much luck and support as she continues her studies. Our impressive speaker, Edy Nash from Nash Consulting, spoken about Psychological Maturity. It was an inspiring night.

On March 14 we hosted our Chili Dinner and Dollar Auction. It was our best fundraiser for this event. The crowd was at capacity, eleven different chilis delighted the crowd, and we had more than 70 \$ auction items and seven silent auction items. Nancy Los and Aurora Daniels did a fabulous job chairing the event!
