PRESIDENT'S CORNER

Happy March everyone! The garage deck project is moving along and your Board is hopeful the contractors bids will be available to us at the scheduled March Board Meeting. The start of the project is still scheduled for after Easter. Please know that as soon as we have information it will be forwarded on to all of you.

The elevators have had a few issues, I ask for your patience as we repair them as necessary. As these machines are older the parts need to be ordered as needed, which creates a longer repair time. Regretfully, Michelle is leaving the office to pursue another venture. She will be with us through Season on Wednesday's. Myself and on behalf of all of you she is wished nothing but the best and we enjoyed having her in our family at Creciente.
