Builder (if different from applicant above): _____

- Stakeout shall include the staking of all house corners and of the driveway. Trees to be saved are to be clearly marked, and groupings of trees or areas to be left in their natural state should be identified with tape.
- The applicant shall be the property owner or original builder at the time of application.
- Stakeout review is for compliance with Conjurer's Neck design standards only. Approval does not relieve the applicant of responsibility for obtaining all other necessary permits and compliance with applicable zoning and building codes.
