We have been asked by many people whether they should send flowers or a donation in memoriam of Ken. The family has decided that it will be family flowers only, but as Rae and Ken have been greatly

helped during lockdown by The Redbourn Care Group, we are in the process of setting up a memorial page with them to which donations can be made in Ken's name. Alternatively, people may wish to donate to The Royal Osteoporosis Society, as the effects of this condition severely restricted Ken's life over the last year. Details on how to donate to both charities is below:

The Redbourn Care Group

A link to a memory page on the RCG website [Virgin Money Giving | For Ken Warby](#) has been set up for online donations, alternatively please make cheques payable to Redbourn Care Group and post to:
