FEBRUARY 2019 VOLUME 62 ISSUE 6

**Presidents Message:** Hello Houghs Neck and beyond. We have had a mild winter thus far. Yes, we have had some really cold days, but knock on wood the power outages were brief. I started the New Year with a vacation Cruise to the Caribbean. We spent two days in Puerto Rico enjoying friends, warm weather and fruity beverages on El Alambique beach. We spent six nights at Sea and visited some beautiful islands. Our trip came to an end Sunday Jan. 20th. We flew from Puerto Rico to Orlando to catch our flight to Boston. So we thought. Our flight and all flights going to Boston were canceled. We were told they could book us a flight to Boston Thursday... We immediately searched for a rental car to continue our adventure on a road trip home. Twenty-two hours later we arrived in Houghs Neck, MA to a beautiful shell of ice on our house, lawn car and driveway. As beautiful as the four New England seasons can be this was the one day we would have taken a pass.

The Congregational Church Chili Bowl was a great event with hundreds attending. Bunny Fun Day is scheduled for April 14 @ St. Thomas Aquinas Hall on Darrow St. See next months HN Bulletin for details. I would like to reintroduce the Mayor of Houghs Neck Contest. Our Winter Blood Drive is Mar. 19th. The Mayor of Houghs Neck committee is seeking candidates to enter the race for 2019-2020 Anyone from the community can be a "candidate", just start by hosting a fund raiser in their name and donate the proceeds to the council. The candidate that raises the most will be presented with a special Flounder trophy and be introduced at various functions. It is only a "Name" and those elected will not hold an official office, just the honor of being the "Mayor of Houghs Neck". To enter your name as a candidate or for more information about HNCC email text or call me. Read the bulletin from front to back for more details of what's going on in Houghs Neck also visit www.HoughsNeck.org for events and updates. HoughsNeckQuincy@gmail.com 617-285-8405

## HOUGHS NECK COMMUNITY COUNCIL OPEN MEETING UPDATE ON QUINCY RECYCLING PROGRAM Tuesday, February 26, at 7PM. 1193 Sea Street Houghs Neck Community Center.

**URGENT** — Recent changes in the global market for recycled raw material are costing brokers and processors millions of dollars in lost revenue. Consequently, this loss in profits has found its way back to its source in the form of back charges to municipalities/taxpayers. This new age of recycling has forced municipalities to tighten up quality guidelines and requiring residents to change their recycling practices. Recycling practices once acceptable are no longer. Now called contamination, here's what you can do to reduce the thousands of dollars being assessed to the City of Quincy for unrecyclable material.

The top 5 contaminants found in a recent audit of our recycling are:

Plastic bags — Not recyclable.

Food waste — Rinse all containers.

Ropes, hoses, chains and cable — Not recyclable.

Household hazardous materials — Hold for Haz Mat days June 9 and September 29.

Needles — Call Clean Harbors Sharps Management program (855) 633-9783.

Are you confused about the revised Recycling Program introduced earlier this year? Members of the Houghs Neck Community Council were and have invited John Sullivan of the City of Quincy DPW, Recycling program to discuss the new regulations. John will have a presentation then answer questions you may have about what can and cannot go in those Blue Recycle bins we place on the curb every week. The Houghs Neck Community has supported the city's recycling program from the beginning. All residents that are concerned about placing the correct items in the recycle bins are urged to attend the **Tuesday, February 26, at 7PM. 1193 Sea Street - Houghs Neck Community Center.**

## Sympathy and Condolences are extended to the friends & families of:

**Walter J. Hurley, Jr.** passed away on January 13th at age 87. A lifelong Quincy resident, he was the Owner and Founder of Hurley's Boat Rental in Houghs Neck. He started out clamming in Quincy Bay and began his venture in 1955 with 10 boats to rent. The fleet grew to over 100 boats with people coming from around the country to fish in the "Flounder Capital of the World." Walter was also an avid skier and he enjoyed trips to his New Hampshire home. He was a lifetime member of

both Quincy Yacht Club and Town River Yacht Club. Husband of Joyce M. (Marcel) and father of Janeen M. Hurley-Kardoos and Kris-Anne Hardiman. Grandfather of 4 and brother of Jack Hurley, Janice Wood and Stephen Hurley. Donations in Walter's memory may be made to the Alzheimer's Association 309 Waverley Oaks Rd, Waltham, MA 02452 az.org or the American Cancer Society 125 S Huntington Ave, Boston, MA 02130 cancer.org.

## Don't Let the Flu Get You!

Flu season is in full swing in Massachusetts but there are steps you can take to stay healthy and prevent the spread of illness.

### Preventive steps:

Get your flu shot. It's not too late – there's still time to protect yourself and your family from the serious illnesses that flu can cause.

Try to avoid close contact with sick people. Sleep in separate beds, etc.

If you are sick, stay home and limit contact with others as much as possible to keep from infecting them. Stay home for at least 24 hours after your fever is gone.

Cover your nose and mouth with a tissue when you cough or sneeze.

Throw the tissue in the trash after you use it.

Wash your hands often with soap and water. If soap and water are not available, use an alcohol-based hand rub.

Avoid touching your eyes, nose and mouth. Germs spread this way.

Clean and disinfect surfaces and objects often.

Consult your health care provider and take antiviral drugs if you feel sick and also have a high-risk health condition.

### Flu Symptoms:

fever           runny or stuffy nose  
cough           body aches  
sore throat    headache  
Chills           fatigue

Some people also may have vomiting and diarrhea.

Some people may be infected with the flu and have respiratory symptoms without a fever.

## Memorial or Honorary Donations

The In Honor Of or Memorials printed in the Bulletin each month are from your neighbors who give a donation. They may recognize a loved ones birthday, anniversary, wedding, birth, passing, letting a friend know you are thinking of them or any occasion. All donations are given to the Houghs Neck Scholarship Fund. On June 16th the Scholarship committee will present \$8300.00 to 3 High School Seniors and 8 College Students continuing there education. Since June, 1964 they have presented \$231,795 to brightest students from Houghs Neck. You may honor a loved one or friend by placing a memorial or in honor of, with a donation. Please send a request to David DiBona 45 Turner Street, Quincy MA 02169.

The scholarship committee also has for sale the "Houghs Neck History" book for \$10.00. Available at E & T Ceramics or by calling 617-479-4107.

The future of Houghs Neck thank's you in Advance for your Generosity.

## Like Any Journey This one requires planning

Making advance arrangements for your own funeral may not be something you want to think about. But by prearranging your services with a Dignity Memorial® provider, you save your family undue stress during a difficult time, you ensure the service and arrangements will be to your liking, and you realize the cost-savings of planning ahead.

# HOUGHS NECK GARDEN CLUB

The Houghs Neck Garden Club will hold its first 2019 meeting on Wednesday, March 6th with Susan Guest's presentation on "Our Body in the Garden." Guest is a movement educator, fitness coach and avid gardener. The focus of her program is to help us become "long-lasting" gardeners and to increase our relaxation and pleasure from gardening. The meeting will be held in the MWRA Community Room at Nut Island, 2nd floor, 149 Sea Street, starting at 7pm with refreshments and a brief business meeting followed by the program at 7:30pm.

Other programs over the next few months include the following:

**April 16** (Tues 6:45pm) – Annual meeting of the three Quincy garden clubs, hosted by Wollaston Garden Club at the Wollaston Congregational Church. Speaker is C.L. Fornari on "Myths, Lies, and the Latest Dirt."

**May 1** – "Practical Gardening" with Todd Breitenstein.

**June 5** – Annual Plant Auction at the Thomas Aquinas Hall.

**July 10** – A showing of the movie "SEED."

The Club is a member of the Garden Club Federation of Massachusetts and National Garden Clubs, Inc.

## Neighbor News

Hi everyone,

On Saturday, March 2nd, I will plunge into the icy waters of Nantasket Beach to raise money for Special Olympics. Sean is an active member of the Milton Special Olympics basketball, track & field, and soccer teams. It is a great program and I would love to be able to support Sean and his teammates. If you would like to donate, please visit my fundraising page:

## City of Quincy to Implement Alert Notification System

On January 31, 2019, the City of Quincy will implement and activate a City wide emergency and community notification system. The system entitled "Alert Quincy" will be delivered through OnSolve, a nationwide leader in emergency network communications. The Alert Quincy messaging system will provide City public safety officials with the capability to quickly and effectively disseminate information to citizens during emergencies and other critical situations, by sending alerts via phone calls, text messages, and emails. "We anticipate City Officials utilizing the alert system in emergency situations such as impending storms, flood warnings, missing persons, and crime alerts," said Mayor Thomas P. Koch. "The Alert Quincy system will strengthen communication across the city. It can also be used to inform the public of community advisories such as parking bans and street closures."

Although OnSolve has provided the City with a preliminary initial database of telephone numbers for the Alert Quincy system, all Quincy residents and those who work in the City are strongly encouraged to enroll with contact information including home phone, cell phone, and email addresses. The City will conduct a preliminary test call to all residents with telephone numbers in the initial database on January 31, 2019 at 2:00 PM to ensure messages are delivered and encourage registration of all contact methods.

"No one should automatically assume their contact information is included, and if your phone number is not in the database you will not be called," Quincy Emergency Management Director Ally Sleiman said, urging all Quincy residents and businesses follow the link to the Alert Quincy Enrollment page located on the city website. Required information includes first and last name, street address (physical address, no P.O. boxes), city, state, zip code, and primary phone number, any additional phone numbers, and email addresses should be entered as well. Your information is private and confidential.

The Alert Quincy system will provide individuals with the ability to add and update their own phone numbers and email addresses directly into the system's database, which is a very important feature. Sleiman explained, "Alert Quincy allows geographically based delivery, which means street addresses are required to ensure emergency notification calls are received by the proper individuals in a given situation. The system works for cell phones as well, but an associated street address is required with the cell number so relevant messages can be provided".

Residents that require assistance with registration or have general questions regarding the Alert Quincy notification system should contact the City of Quincy Office of Emergency Management at (617) 376-1105.

## Houghs Neck Real Estate

### Market Report 2018

2018 was another record setting year for real estate in Quincy MA. Much like 2017, single family homes, as well as condos throughout the city were selling like hot cakes, and Houghs Neck was no different. The average single family home in Houghs Neck sold for \$416,000, which is slightly higher than the average home sale in Germantown (\$392,000) and Adams Shore (\$400,000).

But it wasn't all good, 2018 was in some ways a very trying year for our beloved neighborhood. With the massive Nor'easter in March 2018, property values were affected slightly and home buyer confidence in coastal areas did decrease as well. However, low housing inventory throughout the city helped boost homebuyer confidence in Houghs Neck before year end. Many homebuyers continue

to be attracted to this area due to the lower price of ocean front homes (as compared to other parts of Quincy and surrounding cities).

"While there has been some talk of a slight downturn in the real estate market in 2019, with everything that Houghs Neck has to offer we can only remain confident that things will continue to look up," states Madelene Cheney Broker/Owner of Red Door Real Estate located at 222 Sea Street. For more information on the current market value of your Houghs Neck home or to learn more about the Red Door Real Estate check out their website at [www.RedDoor-RE.com](http://www.RedDoor-RE.com) or call (617) 553-1880.

Dear Houghs Neck Residents,  
 As I write this bulletin, the House is debating the House and Joint Rules for the 2019-2020 Legislative Session. The House Rules govern the operations of the House and all Standing Committees. The Joint Rules govern the operations of the Joint Committees, which include both House and Senate members. The House and Senate will need to agree on one version of the Joint Rules; without Joint Rules, legislators cannot be assigned to a Joint Committee.

Beyond preparing to debate the rules, a majority of the legislation to be considered this session was filed by January 18th. Legislation filed by the 18th will automatically be referred to a Joint Committee as soon as it is processed by the House and Senate Clerks. Legislators can still file legislation after this date, which is referred to as a "late-file bill." Late-file bills must go through the House or Senate Committee on Rules before being sent to a Joint Committee.

There are a total of 3,892 House Bills and a total of 2,248 Senate Bills that have been filed. The deadline to cosponsor legislation was February 1st. Even if a legislator does not cosponsor the legislation, he or she can support it during the Joint Committee process and vote on it if the legislation reaches the House floor for a vote. I have been receiving hundreds of phone calls, emails, letters, social media contacts and visitors dropping in to ask that I cosponsor various pieces of legislation. Given the sheer volume of requests in this two-week period, I cannot cosponsor every request. I believe it is very important to be fully informed about what I am

cosponsoring. As the legislative session continues, there is more time for me to learn about the myriad of issues before us in order to formulate a decision.

On New Year's Eve, I was at the State House working to have the consumer data breach bill enacted in the House during informal session. An informal session requires unanimous consent to move legislation and any one legislator stop the passage of bills with a singular objection. During an informal session, the Legislature cannot override any Governor's veto. Working with the Senate and the Governor's office, I was able to reach an agreement to resolve the Governor's concerns over the data security legislation and he ultimately signed the bill into law once it reached his desk. Through dialogue and patience, we were able to understand each other's concerns and found a resolution that all stakeholders were happy with.

February 5th is the Chinese New Year. This will be the 4716th year under the Chinese calendar. Many Asian countries celebrate the New Year using the lunar calendar, including Vietnam who call it the Tết Nguyên Đán. The calendar rotates in 12-year cycles using 12 different zodiac animals to symbolize each year. This year is the year of the Pig, the last animal of the 12-year cycle. In Chinese culture, Pigs are symbols of wealth and good fortune. The expectation is people born in the year of the Pig are careful with their money, motivated to work hard and find ways to excel professionally, and enjoy whatever life brings them.

I hope the year of the Pig brings good fortune to you.

**TROOP 6 NEWS**

The Troop had yet another first last month and spent an entire day ice fishing on Lake Eileen in New Hampshire! New Hampshire State Wildlife volunteers taught the scouts about the different ways to ice fish, all about the types of fish, and a bit about how to stay safe out on the ice. The scouts caught dozens of fish and even filleted some that went right

into our fish stew that we had for lunch! The scouts spent the night in a cozy little cabin at Camp Bell and definitely want to do it again next year.

Our next trip is going to be skiing at Gunstock, and then in March we are going to be building snow shelters! If you have a middle school or high schooler that is interested in joining us, please don't hesitate to stop by! We are always accepting new scouts and prior experience is not necessary. We meet on Monday nights from 7-8:30PM at the Houghs Neck Congregational Church.

Troop 6 does a fantastic job of keeping our program affordable for all scouts, and our bottle and can drives are one of our biggest

fundraisers. Our next bottle drive is February 9<sup>th</sup> from 9-12 in Labrecque Field parking lot. Our bottle drives will continue to be on the **second Saturday of every month**, weather permitting. Please consider donating your soda and beer bottles and cans to us rather than tossing them in your recycling. As our Troop grows, the money we earn is being spread thinner and thinner and we really want to continue to run a program where all the activities can be paid for through the boys fundraising efforts. Please feel free to call if you need a pick up!

Yours in Scouting,  
 Rob Gordon, Troop 6 Scoutmaster,

**Get Ready to Celebrate  
 Manet's 40th Anniversary  
 Pageant Field in Quincy! June 20th**

Pageant Field at Merrymount Park in Quincy will be the scenic backdrop for Manet Community Health Center's Celebrating 40 Years of Caring anniversary event on June 20, 2019 from 6 to 9 p.m. We hope you can join us on the last evening of spring for music, food and fun from 1979 to today!

One of the highlights of the evening will be the presentation of the Manet Medallion to Kate Walsh (right), president and chief executive officer of Boston Medical Center (BMC) health system.

"On behalf of our patients and communities we exist to serve, we are honored and elated to bestow our highest award, the Manet Medallion, on Kate Walsh in this our 40th

anniversary year," says Robert (Bob) Griffin, President of the Manet Board of Directors. "We believe it is a most fitting recognition of her exemplary leadership, outstanding fellowship and compassionate commitment to ensuring a critical safety net system of care, and an acknowledgement of her robust recognition of the role that community health centers, like Manet, serve."

More details and invitations will follow. For early sponsorship opportunities, contact giving@manetchc.org.

HNCC February 2019

I hope everyone is warm and safe as we have some very cold weather coming into the area. Please remember to check on your neighbors especially the senior population in your neighborhood. 2019 is upon us and so far so good. We will get our share of cold weather but that's what happens in New England.

Please play it safe in regards to the cold weather.

January started off with the traditional Atherton Hough Polar Plunge fundraiser. Let me just say it was a lot warmer this year than last year. Water temperature was about 45 degrees but not bad compared to last year. The event is a great way to start the year off and a great way to assist the Atherton Hough elementary school's PTO. They have a great group of parents that execute the PTO functions. I'm so glad that was earlier in the month..Thank you

Since we are talking about Atherton Hough, let me just touch on some improvements that our Quincy Public Buildings department have been working on. This department really is an unsung hero organization within the city. I am just going to touch on a few schools that impact your children and I think its good information to know. Below is the lineup of projects completed and ongoing.

#### Atherton Hough –

- Replacement of long troublesome sinks in 2nd floor girls' bathroom
- Began repurposing of basement level dental clinic.
- Schematic design for basement level ventilation.
- Repairs made to perimeter fencing
- Complete boiler room replacement, new boilers, pumps, compressors full replacement
- Addition of a new shed to house snow blowers, shovels, ice melt etc.
- Installation of new diesel fired emergency generator
- Initial planning for emergency shelter building requirements

These are just a few of the projects that they get involved in throughout the city's public buildings.

Last month I also sat with Kevin Segalla, Custodian Supervisor for the City's schools. We annually go over the snow removal plans with DPW to ensure the sidewalks are clear and safe around our schools. Atherton Hough is always on my mind making sure that we are doing our job. We do have our moments in large storms so please stay on us in those situations if snow piles etc. prohibit a safe path to school.

A designated drop off zone at Atherton Hough is being looked at by Traffic and Parking. The need or area should have been there quite some time ago, so let's see if we can get a safe spot for parents to drop off on Manet Ave.

I also would like to briefly mention Broad Meadows projects ongoing as the bulk of students from the Neck end up at Meadows. Here is quick listing of what is going on

#### Broad Meadows -

- Complete replacement of front lobby floor tiles - done in bold school colors
- Painted all support structure and ceiling of exterior entrance canopy
- Upgraded exterior lighting to LED fixtures
- Complete stripe, relined and refinishing of gym wood floor and relocated the main basketball court so as to be in compliance with regulations
- Relocated overhead main basketball backboards/hoops to compliant locations
- Replace gym wall safety padding
- Repainted gym walls top to bottom in bold school colors
- Replacement of auditorium stage curtains
- Removal of unwanted classroom cabinetry including electric and gas services
- Divided Room 102 into 102A & 102B - partition includes power and data ports
- Added and reset 100% of granite curbing along the entire front entrance loop, replaced 100% of the concrete walkways across the entire front of the site and added ADA compliant ramps.
- Repaved 100% of the front entrance loop

- Elevated the exterior grade of the ground around the far left end front of the building to help to avoid future ocean flooding.
- Created a handicapped accessible entrance/exit at the far left hand end of the building
- Significant upgrade and repairs to building passenger elevator
- Replacement of storm damaged heating boilers, domestic hot water boilers and steam plant burners.
- Complete replacement of building electrical service - relocating building components to above flood level

The Houghs Neck Fire Station also got a great going over. It has been quite some time since the station got some needed attention. Again thanks to all.

#### Engine 6 -

- Substantial exterior re-pointing of brick walls
- Complete rebuild of storm water drainage system and rebuilding and paving of the two rear driveway and parking areas to include curbing.
- Repaving of front truck entrance area and public sidewalk
- Removal of asbestos containing pipe insulation and floor tiles
- Complete kitchen upgrade including new energy efficient appliances
- Installation of replacement air conditioning system

The Chili Cook Off took place on January 26th at the Houghs Neck Congregational Church. It's the winter version of the Chowder-Fest and it's great. Congratulations to Billy Luggelle and Lynda Southerland for placing 2nd and 3rd in the competition. I enjoyed all the chili that I could consume, not much, but I did love the jingle "Chili by Billy". Great job!

Finally.. Just a reminder to HN Ward 1 residents. The new alert notification system is now in motion. Please take a minute to look at this notice taken off the city website for more information. *See page 5*

God Bless

Dave McCarthy,

Ward 1 Councillor

## FREE BASIC BOATING SAFETY COURSES

It's never too early to think spring! Please note the NEW location. These courses fill quickly!

The Quincy Police Marine Unit, in partnership with the Massachusetts Environmental Police, will be presenting three Basic Boating Safety Courses at no cost to the public. These courses are designed for persons 12 years old and up, regardless of boating skill.

Courses are nationally approved, and course completion will allow persons to legally operate a boat in states requiring Basic Boating Safety Courses. Everyone who completes the course will be issued a Basic Boating Safety Certificate. All graduates in the 12 through 15 year-old age group will be legally allowed to operate a motorboat without adult supervision. The same is true for 16 and 17 year old youths who wish to operate a personal watercraft (jet ski, wave runner, etc.). In addition, some insurance companies offer policy discounts for customers that complete a Basic Boating Safety Course.

#### Course Offerings for 2019

• **March (March 12, 19, 26)** Tuesday evenings 6:00PM - 10:00 PM  
(Course ID: 4343)

• **March-April** (March 23, 30, April 6) Saturdays 10:00AM - 2:00 PM  
(Course ID: 4344)

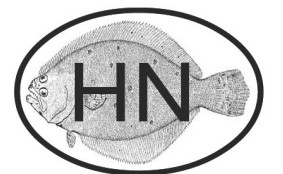

• **May** (May 9, 14, 21) 1 Thursday & 2 Tuesday evenings 6:00 PM - 10:00 PM  
(Course ID: 4345)

All of the above courses will be taught at the **Houghs Neck Community Center**, located at 1193 Sea Street (Same building as the Manet Community Health Center). **\*\*NEW Location**

To register for a course go to the Massachusetts Environmental Police Department website. Fill out the MEP Boating Safety Course Online Enrollment Form using the course ID for the course you want to attend.
