Celebrating Over 20 Years Missions!

In early 1994 Andy became a Missionary Associate with the Assemblies of God and served as an intern in Albania. Then in 1996 we were fully appointed as Assemblies of God foreign missionaries, which was twenty years ago this past October. We look forward to many more fruitful years in missions, with you as our ministry partners, as the Lord enables. We could not do it without your help.

We wish you and your family a very Merry Christmas and all God's best in the coming New Year!

Financial Support:

We still need your ongoing help to promote Royal Rangers throughout the world and let boys and girls experience the saving power of Jesus Christ.
