Meet the New Barn Manager!

Hello!

My name is Jenny DeVries and I would like to introduce myself as the Barn Manager for the Monroe County Saddle Club! I am a horse enthusiast devoted to riding, training and caring for horses. I own quarter horses and am an avid barrel racer. When I'm not riding horses I enjoy spending time with family, shooting guns, fishing and zip lining.

My vision for the Monroe County Saddle Club is to restore the natural beauty of the property and make it an enjoyable and fun relaxing retreat for horse lovers alike. I am devoted in my role as the Barn Manager to help increase horse shows, community events and engage the local 4H club. I am truly committed to promoting and fostering a positive and comfortable environment for all at the club!

I look forward to working with the MCSC Family
