Habits of Happy Kids

K-3rd grade, Teacher: Emily Cook

'Habits of happy kids' is based on the children's books by Sean Covey. Each class will start with a book and we will do an activity/craft/game based on the book. We will also have a fun and creative way to set small goals for the week.

High School Economics for 1/2 credit

9th - 12th grade, Teacher: Dulci Corvin

Students will have homework.

Highschool P.E.

6th - 12th grade, Teacher: Rebekah Yegenian/Jim Higgins

Fun with fitness, games, and activities

Home First Aid Class

3rd-7th grade, Teacher: Skye Thomason/Amber Findley

Basic first aid class that will cover how to bandage, and caring for cuts and burns. Students will work on emergency plan and will also learn to build a first aid kit.

Jazz for Beginners

3rd-8th grade, Teacher: Ellie Corvin/Dulci Corvin Max 10 students

We will be learning a performance piece for Family Night at the end of the semester. Students should wear clothing that allows for easy movement. No special shoes needed.

Kids' Praise Choir

K-6th grade, Teacher: Shannon Eaton

Teach basic choral principles and skills. Students will learn 4-5 praise and worship songs with simple and fun choreography.

Lego Stem

K-3rd grade, Teacher: Ashley Branstetter/Elizabeth Stull

Hands-on learning with legos. Anything from letters to lego volcanoes.

Life-Size Board Games

4th-8th grade, Teacher: Destiny Potter/Kristy Payne

Students will play life-size games like clue, guess who, tic tac toe, checkers, etc.

Line Dancing

3rd - 12th grade & Adults welcome, Teacher: Joanie Gilbert/Co-Teacher Amanda Jo Wright

Brush up on your dancing skills for the upcoming family dance & prom! Line dancing will focus on learning some of the most popular line dances to date. We will also learn 2-4 new routines. All music will be screened before hand and will include these genres: Christian, pop, and country. Line dancing is a low impact exercise but students should be prepared to sweat and burn calories. Bring water!

Make-Up Tutorial

6th-12th grades, Teacher: Kristy Payne/Destiny Potter

Students will learn how to put on make-up for fun, everyday, or formal.

Students must provide their own make-up & brushes.

Middle School Mock Trial

6th-8th grade, Teacher: Brandie Hargis/Destiny Potter

Students will learn about the court system and participate in a mock trial.

Mind Benders

6th-12th grade, Teacher: Amanda Parrent/Jackie Warlikowski

Students will solve deductive thinking puzzles in class while learning to carefully analyze each Mind Benders' story and its clues, identifying logical associations between people, places, and things. Great prep for standardized and multiple choice tests. Improves comprehension and logical thinking.

Origami

K – 3rd and 3rd-8th grade, Teacher: Marge Hofknecht

Pinterest Class

7th-12th grade, Teacher: Kimberly Brubaker

Students will do Pinterest style projects. Examples-card making, scrapbooking, bath bombs, melt and pour soap, etc.

Russian Part 2

7th-12th grades, Teacher: Lena Jackson/Jackie Warlikowski

Students will continue with the basics of reading and writing in Russian, students will memorize phrases and learn to build sentences.

Scrapbooking and Paper Crafts

3rd-7th grade, Teacher: Kimberly Brubaker

Students will do card making, scrapbooking and other art projects involving paper.

Shark Tank Entrepreneurship

9th-12th grade, Teacher: Tia Swift Max 8 students

An entrepreneurship class with a "Shark Tank" set up. Students will come up with their own small business plan and invention. Be prepared to do presentations among their peers.

Spanish for Beginners Part 2

4th - 8th grade, Teacher: Dulci Corvin

Elementary level Spanish. Students should already know letter sounds and some basic vocabulary.

Speech Therapy

PreK-2nd grade, Teacher: Samantha Bowden

Articulation therapy by a certified speech-language pathologist. One to four students per class.

STEM Challenge

4th-8th grade, Teacher: Alyson Hale

Each week students will be given supplies and a challenge to complete individually or as teams.

Superhero 101: How to be a Hero Without Super-Powers

K-3rd grade, Teacher: Amanda Jo Wright/Christina Dalton

We will go over different comic book super hero secret identities and learn to be real life heroes by using compassion, empathy, love, selflessness, and by being brave and humble.

The Maze Runner by James Dashner

6th-12th grade, Teacher: Liberty McBroom/Rebecca Wilson

As a class chapters will be assigned to read and then be discussed during class time.

Students will need to purchase their own copy of the The Maze Runner by James Dashner.

Woodturning

6th - 12th grade, Teacher: Rick Page Max 8 Students

Teaching wood lathe work.

Wreck this Journal

5th-8th grades, Teacher: Joanie Gilbert/Destiny Potter Max 12 Students

Wreck this journal breaks all rules. Through a series of creative and quirky prompts, artist Keri Smith encourages journalers to think outside the lines! Kids will be introduced to a new way of art and escape the fear of the blank page.

Journals are required and will be purchased by the teacher. Estimated cost per journal will be \$10 to be paid on/or before the first class to Crossville HEARTS.
