A few things you should know:

- Each dancer is placed on a team, no matter what. TDS auditions are to help find the best spot for each dancer so that their progression and success is consistent throughout the entire competition season.
- TDS has a firm no tolerance policy for negativity throughout auditions. Each dancer will be treated with respect throughout the audition by their instructors, fellow dancers, their parents, and the parents of fellow dancers. Everyone must do their part to make others feel comfortable and accepted; we appreciate your cooperation in advance!
- The parents meeting is **MANDATORY** for anyone planning to attend auditions/acquire a position on the 2018-2019 competition team. The information discussed will include; details on the audition workshops, dress code for auditions, special instructions for audition day, explanation of results meeting/fitting, and expectations for the 2018-2019 season (including but not limited to: expected fees, time commitment, schedule, competition/convention schedule, solo/duo/trio information, gear requirements, etc.)
- If you need to miss any part of the audition week- please contact McKenzie (801-310-6103) immediately, so that we can make arrangements. Missing audition week will not negatively affect your audition. However, you **must** make arrangements prior to the first day of audition week. Your placement may be delayed and group auditions may be required before placement is made.
- There is a \$30 audition fee. However, this fee will be waived if your dancer attended all 6 weeks of summer dance camps at The Dance Spot.
