PRESIDENT'S MESSAGE

GaSCar President's letter, June 2020

Dear GaSCar family,

I am sure you have noticed that summer is back with a vengeance, with heat and humidity attacking from every angle.

Our Board met on Tuesday, June 9, to discuss when we should continue our meetings. The general feeling is to continue watching the news about the virus over the next three months. At that time, we will re-evaluate any concern for our health. Discuss among yourselves about what is comfortable for you and when you might be ready to gather again.

Cruise-ins at SnoCap are postponed, but we will reschedule the yard sale for this fall. Please gather your sale items.

At the Board meeting, Robert Taylor presented an idea for a car museum in Augusta. There is a building in downtown Augusta that could be used for an antique car museum. You will be hearing more about this as Robert moves through the initial phase of gaining more information.

John Moore

MONTHLY MEETING FOR JUNE CANCELLED

Date/Time:

Place:

Program: No program.

Our balance is very good. Although we haven't participated in SnoCap and had to postpone the yard sale, our balance is strong for this time of year. Sandra

NOTES FROM THE GaSCar Board Meeting, June 9th

In attendance: John & Sandra Moore, Ernie Dinkins, Gerald & Lois Melchiors, Bill & Lois Monro, Henry Jones, Dick Salerno, Mark Petry, Phil and Sue Gaffney, Jerry Jason, Robert Taylor

Robert Taylor had an excellent proposal for an Augusta Museum for cars.

The club will not have official meetings in the Fox conference room for the next three months. We might be able to do something for the September 15, dinner at Fox. Members can discuss among themselves about what is comfortable for them and when they are ready to gather again.

We will postpone our Tool Gift to two high school's automotive departments in South Carolina and Georgia schools. Next year, we will stay with that same plan. We know that Tony Frazier, from Strom Thurmond will understand. We are waiting for Ralph Neitzke to give us a report on Georgia school.

Aaron Clements showed interest in having GaSCar at his downtown place to have a car show. He has praised GaSCar many times and wants to participate with us for an event. We will talk with him again about this.

Still looking to have the GaSCar Yard Sale in the fall. Many items have already been brought to Fox.

John will set a Board meeting soon. Robert could return and give us pertinent information about his idea.

Come out for the Brookdale "cruise around the circular driveway" on Friday, June 19th. Meet in the parking lot behind TBonz's on Washington Rd, and then we'll caravan to the retirement home. We know this will be an enjoyable time for the residents. They will be sitting on the porch. Perhaps we can go around several times...You can decorate your car, if you wish! It would be so nice if we could do more of this community ministry for nursing homes and assisted living facilities. They must have a porch or place where the residents could sit.

Ernie asked about SnoCap. I had written to Brad and Havird Usry when the Covid 19 was so bad, and our club did not go. Dick said he saw the Mustang Club there this last weekend. I will check in again, and tell them that we plan to come back at some point. Or if not, wait until next year. I know you miss it, Hattie, and we do, also.
