The NOMAC holds monthly meetings as described on the reverse page and attendance is optional and open to visitors and prospective members.

If you want to see what the NOMAC is all about then come attend our monthly meeting and meet some of our members. We hope to see you at our next meeting.

Dues Schedule

Joining in January-June	\$20
Joining July-October	\$10
Joining in November-December and all of the next year	\$10

Northern Ohio Model A Club

1928-1931

The Northern Ohio Model "A" Club is a Region of the Model "A" Restorers Club (MARC) and a Chapter of the Model "A" Ford Club of America (MAFCA)

The NOMAC is a technical club, founded to share restoration and repair knowledge and experience among its members. NOMAC has an unusually high concentration of builders of national prize-winning Model A's, as well as members who have written extensively on specialty subjects such as upholstery and electrical design. The club maintains a collection of special tools for the Model A, which are available to all members. NOMAC meets once per month in suburban Cleveland, Ohio. The focus of each meeting is a technical seminar, in which an experienced member or a guest speaker presents a how-to demonstration of some phase of Model A Ford restoration or repair. Meeting announcements and club news are contained in its monthly newsletter.

Meetings are normally held the 4th Thursday of each month at Liberty Ford, 5500 Warrensville Center Road, Maple Heights, Ohio.

Northern Ohio Model A Club

To become a member of the Northern Ohio Model A Club, complete and send in the membership application below. Membership includes our monthly newsletter the NOMAC News, our monthly meetings, and Model A Technical seminar. NOMAC events include Swap Meets, Tours, Picnics, and all events sponsored by the national Model A clubs, MAFCA, and MARC.
