Discipline of Students with Disabilities

The obligation and the responsibility to attend school regularly and to comply with the District's discipline policies applies to all students. Tolbert Charter Academies may discipline a student with a disability who has not complied with the District's discipline policies in a manner that is consistent with the District's policies and applicable law. Special education services will be provided to a disabled student if the student has been removed from school for more than ten (10) school days. If a student with a disability is removed for less than ten (10) cumulative days, educational services will be provided only if such services are provided to students without disabilities who have been similarly removed in accordance with applicable federal and state law and Tolbert Charter Academies' Board policy.
