ARTICLE XIV: DECLARATION OF PRINCIPLES

The universe speaks in many languages, but only one voice. The language is not English, or German, or French, or Japanese, or Arabic. It speaks in the language of hope. It speaks in the language of trust. It

speaks in the language of strength and the language of compassion, in the language of the heart and the language of the soul --but always in the same voice. It is the voice of our ancestors, speaking through us, and the voice of our inheritors, waiting to be born. It is the small, still voice that says “We are one.” No matter the blood, no matter the skin, no matter the world, no matter the star, “We are one.” No matter the pain, no matter the darkness, no matter the loss, no matter the fear, “We are one.” Here gathered together in common cause, we agree to recognize this singular truth –that we are one –and this singular rule that we must be kind to one another, because each voice enriches us and ennobles us and each voice lost diminishes us. We are the voice of the universe, the soul of creation, the fire that will light the way to a better future. We are one. We are one family.

ARTICLE XV: THE SURREAL ROYAL TITLES

These titles carry NO AUTHORITY and are for fun only. These may be purchased during Coronation activities up to the end of Protocol, and the titleholders will be allowed to walk at the Coronation ball. All proceeds from these title purchases will go to the ISCS Education Fund.
