From the Editor

Hello everyone,

I hope everyone enjoyed the fair. We surely did after arriving 5 hours late. Seems my tires didn't like the trip and I didn't have a spare. Most of the morning was spent towing my car and Chuck Smith's (see his article) but a fun time was had by all. Great food and friends. There will be no meeting this month but hope to see everyone at the Christmas party.

Happy Thanksgiving to all!

Clay

There will be no November meeting

From the Prez- Chuck Smith

Hello, and welcome to the November edition of The 'Vair Fax. Hope everyone is doing well. This is my favorite time of the year. I enjoy the cooler temperatures, and the fact that it gets dark earlier. I guess that makes me part vampire!

There was quite a bit that went on in October. Our own 'Vairs at the Fair event, and 'Vairs in the Valley in Maggie Valley NC, a week later.

Participation at the Fair get together was a bit lower than usual, but we still had a good turnout. 20 Corvairs were in the Grand Opening parade through downtown Perry, and were displayed at the fair. There were many fair goers that stopped to look at our Corvairs, and asked questions and told of any Corvair experiences that they may have had.

I use the phrase "our Corvairs" very loosely. I was on the way to Perry in my '67 convertible, with our niece Christie, and six huge bags of candy. We were on I-475, going through Macon, when the car began to buck and lose power. Pulled over to the emergency lane, where it proceeded to backfire and cut off. We were about 1/2 mile from the next exit; I got the car started and limped to the exit, to a parking lot where I could try to figure out what was wrong. While doing this my phone rang. It was good buddy Clay Grant, telling me that he was not going to make it to the parade. So... I gave him the news that I wasn't either. Turns out that he had a tire going bad. (I'll let him tell his own story about that). He was one exit ahead of us, so he went back home, got a rollback truck, came and picked up the car and us, and took us to his Macon office and let us use one of his company cars to go on to the fair. Then he took my car to his shop, went back to Macon to get his car, took it to the shop, then came to the fair. WHEW!! Thank you so much Clay, you are indeed a life saver!

Thanks go out to Clay, Joe and Rhonda Gail for getting the delicious meals ready for all to enjoy, and thanks for the use of the hangar for our activities. The hangar is an excellent location to have our get togethers. By the way, Clay has installed a Pertronix system in the convertible, so hopefully I won't have those problems again.

'Vairs in the Valley is a laid back event also. A beautiful location to have a car show. The leaves on the mountains were just beginning to change colors. Nice and cool, with some rain one morning that moved on through. There were 43 Corvairs in the peoples choice show. Winners from our club were Dean Gemberling with his '63 V-8 Rampside, and Billy Bruce showing his '63 Greenbrier.

Please note that there will NOT be a November meeting. However, Mom and I are going to the Ole Times Buffet on that day, November 14, to eat lunch. Anyone who wishes to is more than welcome to join us. (around 11:30)

Our Christmas dinner will be on Saturday, December 4th, at 1pm, at the home of Chris, Joan, and Lillian Law, located in Sumner GA. Directions are posted in this newsletter.

Well, enough from me. Everyone take care, hope to see you at the Christmas dinner/

Chuck
