You are required to notify Jackman Community Daycare once the test has been completed and again once you have received the results. The Daycare phone number is 416-466-8715 ext. 221 or you can phone the Daycare cell at 647-633-0117.

Results

Negative Test Result: Your child can return to daycare **after they have been symptom-free for 24 hours**

Positive Test Result: If your child tests positive for COVID-19, you must follow the directions set out by Toronto Public Health to determine when to return to the child care centre (TPH will also provide you with further instructions if required)

- Stay home and self-isolate for 14 days after the symptoms started. After 14 days, you can stop isolating if you no longer have a fever and your symptoms have improved, but you should continue with physical distancing measures. If your child is still unwell at 14 days, contact Telehealth or your health care provider.
- **Clearance tests are not required for children to return to the child care centre, but the child must be symptom-free for 24 hours after the isolation period prior to returning to daycare**

Daycare Protocols

Childcare centres have a duty to report suspected or confirmed cases of Covid-19 under the Health Protection and Promotion Act. Jackman Community Daycare will contact Toronto Public Health (TPH) and the Ministry of Education to report that your child is suspected to have Covid-19. We must also report the results of their COVID test once they become available.

Thank you for your cooperation.
