VENDOR GUIDELINES

Vendor spaces will be marked on site Thursday afternoon, June 5th and site setup must be completed before 7:30 am on Saturday June 7th. **Trailers must be positioned and in place on Friday night June 6th.** On the day of the event the street will close at 6:00 am and you must show your vendor pass to enter the park area. Event coordinators will be available at the barricade to direct you to your space.

- **New this year – Fire Extinguishers must be on-hand with a current inspection date.**
- Vendor spaces cost \$45 each and are assigned on a first come basis once payment is received. No spaces will be held without payment. Deadline is May 15th or when spaces are “sold out”. Vendor spaces are 12' X 12' in size. Please consider tent stakes and trailer tongues as part of your setup when deciding how many spaces you need.
- Vehicles must be unloaded and moved out of the park area by 7:30 am the day of the event. The park area will be closed to all vehicles at 7:30 am with no exceptions.
- Vendors are responsible for cleaning their area and placing all trash in the appropriate dumpsters. All boxes are to be broken down flat and placed in the trash dumpsters.
- Vendor booths should not be torn down until 4:00 pm to minimize disruption to the event. Traffic will not be allowed into the park until after 4:00 pm.
- The event sponsor is not responsible for items broken, lost or stolen, or for accidents or injury incurred during the day.
- *Food Vendors must specify the top 10 food items they will be selling. These should be based on previous sales volumes. This information will be used to assure a good variety of products for the festival. It is the sole decision of BCPA to select the mix of vendors and it is based on the information provided. If too many similar food vendors are received, selections will be based on first come basis. This process is used in an effort to help all vendors make a profit.*

Make checks payable to BCPA and mail to PO Box 146, Butner, NC 27509 along with stamped, self-addressed envelope.
