Exhibition Application: Fifty Years of the 2002

In May 2017, the BMW CCA Foundation in South Carolina opened its first major exhibition, **Heroes of Bavaria: 75 Years of BMW Motorsport**. This exhibition quickly became the buzz of the BMW community, with visitors traveling from all over the United States and Europe to get a look. A beautiful collectible book has been published, and the buzz will live on for years to come.

So what's next?

In 2018, the Foundation Museum will open its second exhibition, tentatively titled **THE ICON: Fifty Years of the 2002**. It's going to be a special year for BMW fans.

If you own a special BMW 2002, your car could play a part in it all.

We're looking to display around 25 of the best 2002s in the country. The best can mean the most original, the rarest of the rarest, the fastest, or the most tastefully (or unusually!) modified. There will be a class for each of these.

The exhibition will run from April 2018 thru January 2019, and selected cars can be invited for a minimum of three months or for the entire duration of the exhibition, depending on the availability of your car and the number of cars selected.

There are many criteria for the selection, and the Selection Committee has final word. Owners must be willing to transport the car to and from the Foundation Museum in Greer SC, and maintain full insurance coverage for the duration of the exhibition. As the BMW CCA is celebrating the 50th anniversary of the 2002 at the Oktoberfest in Pittsburgh in July 2018, owners of selected 2002's will be allowed to remove their cars for the duration of Oktoberfest.

NOTE: Cars that will open the exhibition must be at the Museum by March 1, for photography and possible inclusion in the collectible exhibition book. Inclusion in the book is not guaranteed.

Are you interested in sharing your 2002 and its story with your fellow CCA members and visitors to the Foundation museum? If yes, then you are kindly invited to email this completed application along with a few good images of your 2002 to:
